## Why have your party at PEG?

### We do the entertaining.

No need to worry about how to keep the kids busy. Our energetic instructors will lead the group through age appropriate activities. Just bring your table setting, cake, juice boxes and candles. **We do all the clean up!**

**Your group gets the entire gym to themselves** as all parties are private.

**The kids can bounce around the gym and not your house!** Great obstacle courses, bounce on the 40 foot Tumble Trak, climb through the loose foam pit, swing like Tarzan on the rope and play some really fun games!

## Party Details

**Please inform your guest to arrive on time.** We like to start our parties on time. Children that arrive late will miss out on the fun. If we wait for everyone to arrive we may have to cut the activity time down.

**You may begin set up 15 minutes prior to the party time.** This will allow enough time for set up and greeting your guest. Please be considerate of spectators or other birthday parties finishing.

**Please bring juice boxes for a beverage.** This will prevent any accidental spills. Cupcakes and ice cream cups are great too!

**The parents of the birthday child are welcome into the gymnasium to take pictures.** Sorry, only the kids get to play. Additional parents and toddlers need to remain upstairs during the gymnastics portion of the party.

**Doing your cake and presents at home and don't need the mezzanine?**

Please let us know at the time you sign up and we'll deduct \$25 off the cost of the party.

**Do you have a piñata?**

We can do that! Just let the instructor know before the party starts and we will save time for the fun!

**Remind your guests to RSVP!**

**Remember the permission slips!  
You can get them online at**
