Why have your party at PEG?

We do the entertaining.

No need to worry about how to keep the kids busy. Our energetic instructors will lead the group through age appropriate activities. Just bring your table setting, cake, juice boxes and candles. **We do all the clean up!**

All parties are Private!

No sharing the facility with other parties or the public

The kids can bounce around the gym and not your house!

Great obstacle courses, bounce on the Tumble Trak, climb through the loose foam pit, swing like Tarzan on the rope and play some really fun games!

It's Fun!

Party Policies

Full payment is due at time of reservation.

Cancellation Policy; In case of an unfortunate event, we will reschedule the party at no penalty. However, a \$50 cancellation fee will be retained if a refund is requested for any reason

All Children must have a parent/guardian permission slip signed in order to participate in the gymnastics portion of the party.

Arrival/Departure: You may begin set up 15 minutes prior to the party time. This will allow enough time for set up and greeting your guest. Please be considerate of spectators or other birthday parties finishing. Departure should be within 15 mins of the ending party time in order for our staff to prep for the next party.

Food: Please bring juice boxes for a beverage. This will prevent any accidental spills. We do not have any food restrictions; however, you should ask your guests if they have an allergy. **Tip:** Cupcakes and ice cream cups are easy to transport and distribute.

The parents of the birthday child are welcome into the gymnasium to take pictures. Sorry, only the kids get to play. Additional parents and toddlers need to remain in the spectator during the gymnastics portion of the party.

Remind your guests to RSVP!
