

SUMMER INFO AND POLICIES

OUR MISSION STATEMENT AND PHILOSOPHY

Palouse Empire Gymnastics is dedicated to promoting self-esteem and confidence for each student through the participation and enjoyment of gymnastics and related activities. We are committed to providing an environment which is not only fun, safe and professional, but also captures the essence of childhood!

OUR TEACHING METHODS

Instructors use drills that introduce the skills in smaller, more achievable goals. Strength and flexibility challenges are presented as well as games and safety drills. We strive to teach in a way that our students feel safe to keep trying and failing and eventually succeed. Our toddler, PreGym and Jr Gym/Ninja programs are designed to introduce the young child to the skills in gymnastics, but more importantly to develop socially, emotionally and overall coordination. Children will experience a variety of challenges in order to develop basic motor skills, strength and flexibility.

STUDENT ARRIVAL AND DEPARTURE

Students may enter the facility no more than 10mins before class starts. Masks must be worn when entering or exiting the facility. Students will enter and head to the restroom to wash their hands. Students should be picked up within 10 mins. of class ending. Parents that are more than 10 mins. late will be charged \$1/minute.

MASKS/OBSERVATION

Due to our small lobby and mezzanine, a mask must be worn when visiting our facility. Please only have 1 adult enter with your child. Masks are not required while in class. Teachers will be masked when it is necessary for them to break the 6ft barrier to assist a child.
